

## Calling For Christ University

Calling For Christ University (CFCU) is a non-denominational ministry that John Brammer started in 2013, along with Dr. Steve Havener. It is especially for college umpires, both past and present. Steve is the pastor of a church in Oklahoma and volunteers his time and knowledge to all who will have it. John and Steve host a weekly devotional and prayer call on Saturdays during college baseball season, beginning February 14 and lasting through the NCAA Division 1 baseball season. They are also planning a few off season activities for CFCU, either in the summer or at the NCAA national meetings. If you have any questions, comments, or requests for the calls, please contact John or Brother Steve.
